

# SEATON SLUICE ART CLUB

Seaton Sluice Art Club is a group of enthusiastic local amateur artists who share a love of painting and all things Art. The group meet on Wednesday morning between 10.00am and 12.00pm at Seaton Sluice Community Centre.

Members have the opportunity to develop their painting and drawing skills using various mediums including watercolour, oils, acrylics, print etc. The club offers support and encouragement to all members regardless of experience.

Workshops and other learning activities take place throughout the year and visits to galleries and artist's studios are arranged as requested. The club holds at least one exhibition per year where members have the opportunity to display their work.

We welcome new members and offer free taster sessions with materials provided.

If you would like to find out more about the club and what it has to offer, come along to a meeting and see for yourself.
