

St Mary's Art Group

Seaton Delaval Community Centre

We are a friendly bunch of people with a shared interest in various kinds of art. We paint, draw and print using all sorts of media including pastels, acrylics, oils, watercolours and inks.

We are a mixture of novice and experienced artists and everyone is encouraged to work in the way that they feel most comfortable.

Tuesday afternoons 1:00—4:00PM

New members always welcome. FREE taster sessions

Everyone has their own table and we are well spread out with windows open but we do ask if you are moving around that you wear a face covering but not whilst you are sitting.
